Sri L. SRIKANTAIAH.—I am not debating. I am seeking clarification from the Hon. Revenue Minister as to what is the method they have adopted. I want to know whether the Government intends to collect at the old rates only.

Mr. SPEAKER. Is the hon. member making a speech ?

Sri L. SRIKANTAIAH.—No, Sir. Tax is being collected at the old rates and adjusted towards the new rates. What does it mean? The three circulars say that it may be collected at the old rates and adjusted towards the new rates. Will the Authorities accept at the old rates ?

Mr. SPEAKER.—The hon. Member can raise this point, when the Revenue Demand comes up here for discussion. Only one or two clarifications are allowed now, but no speeches can be made.

## (*ii*) *re*: Communal disturbance in Someshwarpur in Mysore District.

Sri M. NAGAPPA (Raichur).—Sir, I call the attention of the Chief Minister to a Communal distrubance in the village Someshwarpur, seven miles away from Mysore City on 1st March 1969, consequently six persons were injured and a few houses were burnt completely and twelve houses partly of one community. The police has utterly failed to control the situation.

† Sri VEERENDRA PATIL (Chief Minister).—Sir, Someshwarpur Village is at a distance of about seven miles from Mysore City in Mysore Taluk. There are about 70 houses belonging to Pariwars, an equal number to Lingayats, about 20 houses belonging to Harijans and a dozen houses belonging to other communities in the village. Peaceful conditions prevailed in the village during the last several years. On 13th February 1969 there was a Jatra in the village and it was celebrated in a fitting manner by all the communities together. There was absolutely no ill-will amongst the different communities.

(SRI VEERENDRA PATIL)

The immediate cause for the trouble appears to be a minor quarrel between some boys of Pariwar Community and a boy of another community. There was some minor skirmish in the village on the evening of 27th February 1969. Information was received by police in this regard on 28th February 1969. The Sub-Inspector, Mysore South Police Station sent Policemen to the village and he also visited the village on 1st March 1969 and made detailed enquiries. The persons belonging to Pariwar community were not willing to give any complaint and wanted to have the matter compromised. On the morning of 1st March 1969 Panchayat meeting was convened by leaders of both the communities, namely Pariwars and Lingayats and a compromise was effected in the presence of the Sub-Inspector of Police. The Sub-Inspector of Police then left the village about noon leaving two constables in the village to keep watch.

It is alleged that on the evening of 1-3-1969 the houses belonging to Pariwar community were attacked and some of the Houses were burnt. As the situation could not be controlled by the two Police Constables present in the village, immediate intimation was sent to the Police Station. Thereupon, the Sub-Inspector reached the village at about 6-30 P.M. along with a Reserve Party and Fire Brigade and brought the situation under control. The Fire was put out. It was seen that five thatched huts belonging to the Pariwars were completely burnt and nine tiled houses of the same community damaged. It is also alleged that foodgrains and other articles were looted from the Houses of Pariwars. The extent of damage including loss of property is estimated at Rs. 4,000; five persons of the Pariwar Community sustained minor injuries. A case in Crime No. 14/69 under sections 143, 144, 148, 149, 436, 457, 390, 324 IPC has been registered in Mysore South Police Station. Four persons have been taken into custody so far. The Superintendent of Police, Mysore along with the Deputy Superintendent of Police, Hunsur and the Thasildar, Mysore Taluk visited the place. A strong police party is stationed in the village. A Mobile Van with armed Reserve is patrolling the neighbouring villages of Mysore and Nanjangud Taluks under the charge of Circle Inspector, Nanjangud. The situation is reported to be peaceful now.
